Production Experience

Camera Assistant/PA

Freelance - NYC/NJ
January 2021 - Present

I have acted as a Camera PA/Set PA on multiple different projects in and around NYC. I have experience with the loading, unloading, set-up, and breakdown of camera as well as lighting equipment. I have experience with most cinema camera bodies and an educated foundation in lenses as well as lighting

DP, Cinematography, Editing

Freelance - NYC

February 2018 - Present

I frequently work on personal projects and collaborate on colleague's and friend's projects. I primarily work in film and digital media but I am very well trained and experienced with Promotional Content, Music Videos, Documentary, and Corporate Content.
